
2024 SUMMER GRADUATE INTERN

Legislative Analyst's Office
Sacramento, CA

The Legislative Analyst's Office (LAO) has provided nonpartisan fiscal and policy analysis to the California Legislature since 1941. The primary activities of the LAO are to:

- Assist the Legislature in all aspects of the budget process through its analytical and oversight activities.
- Respond to legislative requests for information about and analysis of the state's budget and programs.
- Conduct independent studies and produce self-generated reports on topics of importance to the state.

The LAO deals with real-world problems that directly affect the public and assists the Legislature in setting budget priorities and state policy for one of the world's largest economies. Working independently as well as in teams, the LAO serves as the eyes and ears of the California Legislature to ensure that state-funded programs are operating in an efficient and effective manner.

The LAO values excellence, expertise, teamwork, service, and respect for each person's individuality.

WHAT YOU WILL DO

Interns apply the analytical techniques learned in their graduate programs to a practical issue facing the State of California.

MINIMUM QUALIFICATIONS

The LAO internship program is a rigorous analytical experience open to individuals who:

- Have completed the first year of a two-year graduate program that includes curriculum that is both quantitative and policy based.
- Are interested in becoming a full-time fiscal and policy analyst at the LAO after graduation.
